

E2T/E3T universal electric fuel pumps New Pierburg numbers / 4 replace 8

si 0046 GB

VHH 06.99

Vehicle: Various	Product: Elektric fuel pump	O.E.-No.:	O.E.M.-No.:
See back page	Pierburg-No. See below	See back page	

Pierburg has reduced the E2T/E3T pump range to a minimum and so extended the applications of the individual pumps. Each fuel pump is now supplied with one or two different screw connections, see table. Tightening torque 20-24 Nm. The fitting instruction supplied with the pump contain further information for correct fitting.
